Dear [redacted]

This is in response to your letter of August 25, 1977, requesting further information as to the involvement of [redacted] in the Agency's Project MKULTRA.

All institutions which were so involved, and which we were able to locate currently, have been notified by the Agency. While the Agency has no information concerning the activities in this regard of any [redacted] [redacted] available records pertaining to MKULTRA evidence no involvement on the part of [redacted] as an institution.

As you can understand, the Agency is unable to undertake the immense task of responding to all speculation or notifying all institutions which were not involved in these activities. This is the reason you have not been contacted previously.

Please advise me if we may be of further assistance in this regard.

Very truly yours,
